MEMORANDUM FOR: Acting Chief, Finance Division

SUBJECT

25X1

REFERENCE : Memorandum from Acting Chief, Finance Division
dated 5 October 1954, with attachments

1. Reference is made to your request for our approval of the recommendation set forth in the reference to the effect that [redacted] be permitted to retain the \$735.46 received from his cover organization which is in excess of the compensation called for in his letter of appointment. 25X1

2. After a consideration of this matter, we must advise that we are unable to concur in the recommendation submitted. We believe that retention of the excess amount here involved is precluded by the Confidential Funds Regulations which at [redacted] specifically provides that: "salary or other remuneration received by the agent (staff) from or through his cover which is in excess of that provided in his Letter of Appointment shall be refunded to the Agency." As regards the [redacted] case, we do not believe that it may be considered as a valid precedent for the action contemplated. It is our understanding that the settlement there was a negotiated one, effected on the basis of the contract then existing between him and the Agency in his capacity as Career Agent. 25X1

3. The papers are returned.
